

A new course to enter the world of work directly ***Recruitment of at least 60% of the participants is guaranteed***

CNOS FAP LT offers a new highly educational course for SCADA Programming Engineers in the context of the project co-financed by the E.U. as part of the Operational Program AXIS 1 "Employment" - "Training to compete" - Liguria Region ESF 2014 - 2020.

Course recipients: no 30 - 15 for each edition - under 25 years old, resident/domiciled in Liguria, unemployed and non-employed persons in possession of at least one of the following qualifications (all requirements must be met at the closing date for applications):

1. Upper secondary education diploma
2. Degree

At the end of the course, students will be able to sit the exam for obtaining the certificate of attendance and achievement for the SCADA Programming Engineering course.

The project arises from **Engineering's desire to invest in Genoa**, a city which the largest Italian technological group - at the forefront in leading the digital transformation of companies and public administration - is linked to by a lengthy collaboration and where it already has an office with over 200 employees. In particular, the course stems from the agreement between **Cnos Fap** and **Engineering** with the support of the **Liguria Region** and envisages that **at least 60% of eligible students should be hired at the end of the integrated course**.

Those interested can download the form from the website at the following link:
<https://www.cnosfap.it/index.php/informati/news/207-bando-scheda-informativa-del-corso-tecnico-programmatore-scada-n-2-edizioni>

The application form (completed and complying with the current regulations on stamp duty - place a € 16.00 duty stamp on the form) can be downloaded from CNOS FAP's website - www.cnosfap.it - and must be delivered to CNOS FAP at one of its 2 locations during the opening times shown:

1. CNOS FAP LT, Via A. Carrara 260 – Quarto - Genoa - phone +39 0100986378 - +39 3406681967; mail segreteria.quarto@cnos-fap.it - www.cnosfap.it
office hours: Monday to Friday 9:00 - 14:00;
2. CNOS FAP LT, Via S. Giovanni Bosco 14r – Genoa - phone +39 0104694493 – +39 3403673249; mail segreteria.sampierdarena@cnos-fap.it - www.cnosfap.it
office hours: Monday to Friday 9:00 - 14:00.

Alternatively, should the health emergency conditions persist, the application form (completed and complying with the current regulations on stamp duty) can be sent by email to the addresses shown above. In this case, the user will have to scan or photograph the duly completed and signed application form and after having placed the € 16.00 revenue stamp in compliance with the national tax legislation on stamp duty - which must be validated by writing your initials on it and attaching a copy of your identity document.

Only applications received by hand and/or by email complete with all the required documentation will be accepted.

The course activity will be carried out in compliance with the national and regional legislation in force on the containment and management of the Covid19 epidemiological emergency.

Enrolment: from 24th August 2020 to 25th September 2020
